About the Emerging Artist Series

CAM Raleigh is the only museum in the region with a dedicated gallery for emerging artists and designers. Through exhibiting emerging artists whose work is still in progress and fresh from the studio, CAM Raleigh nurtures the diversity of artistic expression and places the artist at the center of the community. CAM Raleigh supports early career contemporary artists in an atmosphere where they are encouraged to foster a cross-fertilization of ideas and dynamic interaction with visitors. Visitors from all walks of life will often have a chance to meet and exchange ideas with the artists exhibited in the space. CAM Raleigh's independent Gallery houses the Emerging Artist Series.
